DIRECTIONS FOR USE
RESTRAINTS

NOT TO BE USED on surfaces which come into direct contact with foodstuffs.
NOT TO BE USED on roofs for collection of potable water.
NOT TO BE USED on surfaces which come into direct contact with the ground.

Surfaces exposed to weather/rain are recommended to be sealed after application of BORACOL 200RH with a water repellent, paint or other suitable sealant.

Application Table

BORACOL 200RH can be applied by brush, roller, dipping or spraying.

Preventative Treatment 10 mL of Boracol 200 RH 1000 cm³
Remedial/insecticide Treatment 20 mL of Boracol 200 RH 1000 cm³

Situation	States	Recommendation		
		0-25mm depth	25-50mm depth	50-100mm depth
Prevention				
Timber, masonry brickwork, concrete	All States	250 mL	500 mL	1 L
Remedial/Insecticide				
Timber, masonry brickwork, concrete	All States	500 mL	1 L	2 L

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

DATE OF MANUFACTURE

BATCH No.

APVMA Approval No: 30711/10L/0105

GENERAL INSTRUCTIONS

BORACOL 200RH is effective in controlling surface mould, algae and fungi. It will also at the insecticide rate help control common wood borers and termites. BORACOL 200RH is supplied ready for use for in-situ, remedial preventative treatment as per application table.

If the surface to be treated is very dry the penetration of BORACOL 200RH will be enhanced if the surface is sprayed with water prior to treatment. This is always necessary when using the remedial/insecticide rate for the treatment of aged timbers with very dry surfaces. BORACOL 200RH can be applied immediately after the water has been absorbed by the surface.

When using high rates (remedial/insecticide) it may be necessary to apply via two coatings with two to three hours interval.

PROTECTION OF WILDLIFE, FISH, CRUSTACEA AND ENVIRONMENT

Do not contaminate streams, rivers or waterways with the chemical or used containers.

STORAGE AND DISPOSAL

Store in the closed, original container in cool, well ventilated area. Do not store for long periods in direct sunlight. DO NOT use the container for any other purpose.

Triple or preferably pressure rinse containers before disposal. Dispose of rinsings in a disposal pit specifically marked and set up for this purpose, clear of waterways, desirable vegetation and tree roots. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush or puncture and bury containers in a local authority landfill. If no landfill is available, bury the containers below 500mm in a disposal pit. Empty containers and product should not be burnt.

SAFETY DIRECTIONS

Will irritate the eyes, nose and throat and skin. Avoid contact with eyes and skin. Do not inhale spray mist. After use and before eating, drinking or smoking, wash hands, arms and face thoroughly with soap and water.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131126.
