

PRE

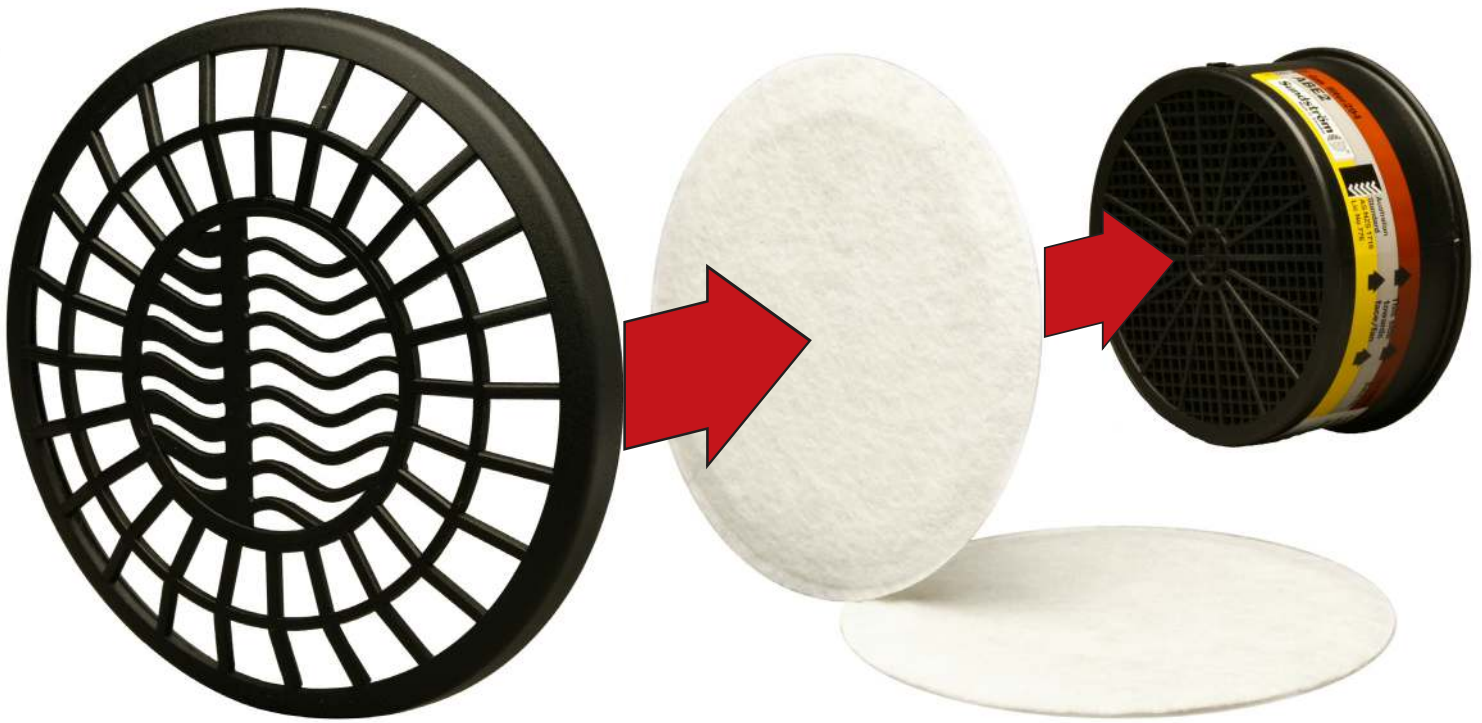

Sundström 

filter

Always keep a clean pre-filter fitted to your main filter, and you can be sure of longer filter life.

Superb low-cost protection against liquid splashes and coarse particles before they reach the main filter.

Use a pre-filter at all times. Great effect at a tiny cost. It's the smartest thing you can do.

- Snap-on design
- Catches coarse particles
- Prolongs main filter life
- Costs only cents
- Great splash protection
- Smartest accessory of all
