Identification: Product identifier and chemical identity

Product Description: 70% Isopropyl Alcohol Impregnated Wipes

Product Code: 200021

Use of Substance: Wiping Hard Surfaces

Hazard Identification

Signal word: Danger

Hazard	Category
Flammable Liquid	Category 2
Eye Irritation	Category 2A
Specific Target Organ Toxicity (single exposure)	Category 3
Hazard Statements	
Highly flammable liquid & vapour	H225
Causes eye irritation	H319
May cause drowsiness or dizziness	H336

Composition and Information on Ingredients

Ingredient	CAS No	V/V by %
Isopropyl Alcohol	67-63-0	70 %
Water	7732-18-5	30 %

First Aid Measures

Eye Contact: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do so. Continue Rinsing. If eye irritation persists, seek medical attention.

Skin Contact: Wash area with soap and water. If symptoms persist, seek medical attention.

Inhalation: Remove victim to fresh air and keep in a position comfortable for breathing. Call a POISON CENTRE or doctor if feeling unwell.

Ingested: If swallowed DO NOT induce vomiting, call a POISON CENTRE and seek medical attention.

Firefighting Measures

Hazchem Code: 2SE.

Suitable Extinguishing Media: Use fire extinguishers with Class A extinguishing agents (water, foam)

Specific Hazards: Highly flammable liquid and vapour. May form flammable vapour mixtures with air.

Special Protective Equipment & Precautions for Firefighting: Keep containers cool with water spray, wear suitable protective gear for risk of combustion & self-contained breathing apparatus (SCBA).

Accidental Release Measures

Small Spills: Wipe up with clean rag.

Large Spills: Clean up immediately. Section area off and turnoff or remove any ignition sources. Prevent spillage into drainage or waterways. Use absorbent material such as dirt or sand. If possible, increase ventilation to area. If contamination to crops, waterways or sewer has occurred contact emergency services.

Handling & Storage

Handling: Avoid prolonged use

Storage: Store in cool, dry, well ventilated area. Do not expose to direct sunlight. Store away from sources of heat and ignition.

Exposure Controls & Personal Protection

Maintain air concentration below occupational exposure standards, using engineering controls if necessary.

Do not eat or drink while using this product, wash exposed are with soap and water.

Person Protective Equipment

Eyes: Safety Spectacles or Goggles

Skin: Avoid prolonged contact with skin. Wear long sleeve work gear and long pant clothing. Wear protective gloves to avoid skin irritation to hands.

Respiratory: Avoid breathing in vapours, if needed use respiratory protection equipment.

Physical & Chemical Products

Specific Form: Saturated Wipe

General Form: Liquid

Colour: Clear

Odour: Alcohol Odour

Boiling Point: 100°C

Vapour Pressure: Not Applicable
Specific Gravity at 25°C: 0.990 to 1.010
Flash Point: 12°C
Flammable Limits: Not Applicable
Density: Not Applicable
pH: 5.0-6.0
Solubility in Water: No Data Available

Stability & Reactivity

This product is stable under normal ambient storage and handling conditions.

Toxicology Information

No adverse health effects expected if the product is handled and stored in the manner stated in this SDS.

Ecological Information

Avoid contamination to waterways, crops and sewers.

Disposal Considerations

Dispose of waste according to national and local regulations.

Transport Information

This product is not classified as 'Hazardous' for transport.

Regulatory Information

This product is not classified as 'Hazardous' for labelling purposes.

Any Other Information

The information use in this document is believed to be correct and corresponds to the latest state of knowledge. Any recommendations, data, instructions and suggestions are made without guarantee.
